Dear sir:

Thank you for your check and for your query about the Salisbury-Alcombrack families, not to forget the Ventons. I have spent hours looking through my files, and I hope that I have been of service.

As you may suspect, I have a great interest in the movements of our early families. It all began about 1924, when my grandmother died. Once I had learned a good deal about my ancestors, and had begun to run out of steam, I turned to neighboring families. The result is a filing cabinet containing more than 800 files on as many families. The Alcombracks and Salisbury families are among them. Sadly enough, I do not have a file on the Ventons, although there are a few of them left in this part of Ontario.

The Salisburys are an old family, but not the U. S. Loyalists that Mrs. Smedley thinks they were. There were four prerequisites before one could be called U. S. These were:

1. Having resided in the British colonies in America before 1776.
2. Having fought for, or supported the British. In other words, they were Tories.
3. Had estates confiscated for being Tories.
4. Having been forced to flee the vengeance of the rebels, and to have settled in Canadian territory.
5. Having taken an Oath of Allegiance to the British Crown.

It is evident that they came into Upper Canada after 1800, and did not get on the tax list in Fredericksburgh until after 1808. However, they may have been earlier in neighboring townships, notably Ernesttown and Camden. I served in the first war with a Major Garman Salisbury, a medical doctor. He later removed to Vancouver, B. C.

The Alkenbracks must have come in before 1808, seeing that John was on the tax list. It is possible that he was father, or brother, of Ava, and that she and her husband, already married in U. S., came to Canada at his suggestion. Several years ago I copied some of Kinderhook church records, among them the Salisburys, but I did not find Martin. Evidently I did not look in the right place.

I know so very little about the Ventons. They must have come late and stayed only for a short time. I have given you what little I know. However, there was an Anderson Venton living at Millhaven, two miles east of Bath, in 1865.

That is all at this time. If there is more that I might do, please let me know.

PS/I am semi-retired, and am enjoying my hobby.

Yours sincerely.

Dear Doctor:

After reading "Canada's Plymouth Rock," the article by Leon Kossar, re-printed in The Post-Express of Feb. 25<sup>th</sup>, I am wondering if among your records of U. E. Loyalist families you have one of the Salisbury (or Salisbury) family.

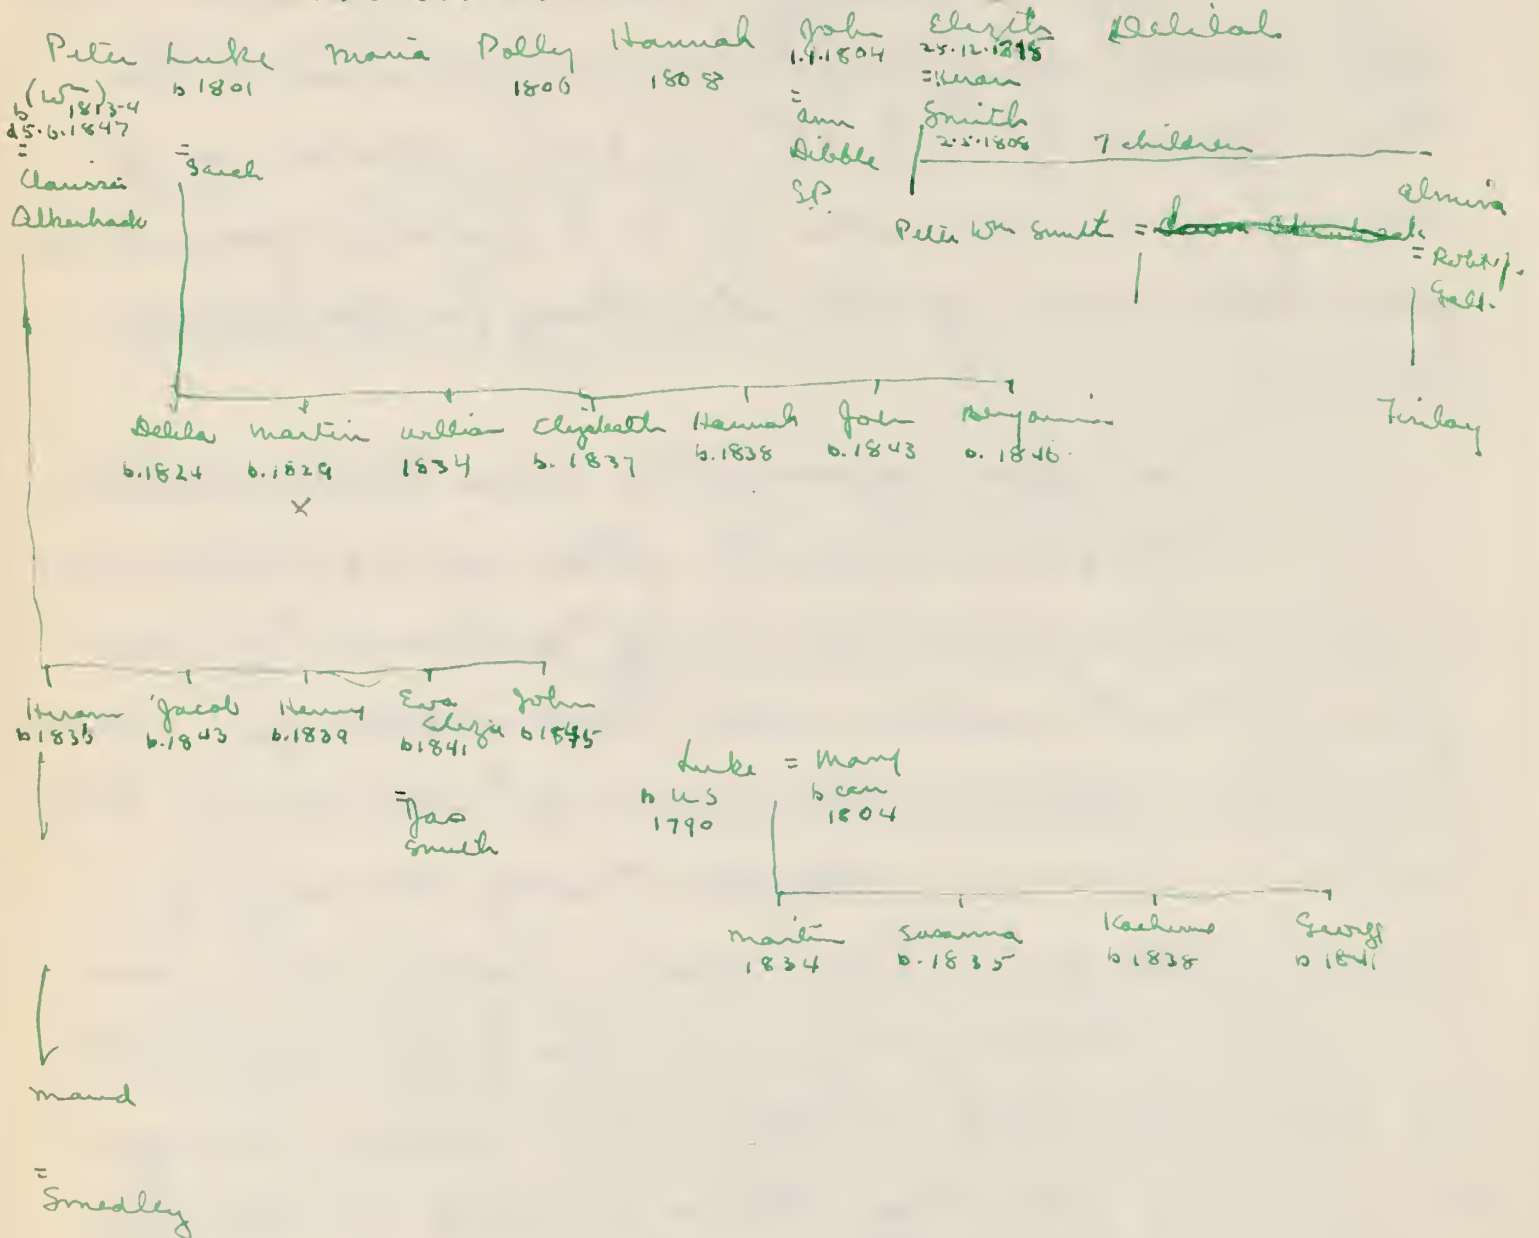

Our great-grandfather was Peter William.

We have recently obtained a little more information about the early settlement of our fore-fathers in the South Fredericksburgh area. It reads: "Martin and Susannah Salisbury, U. E. L. settlers in Lennox & Addington County, townships of So. Fredericksburgh, 3<sup>rd</sup> concession, part of lot 16, came over from Albany N. Y. in a rowboat. They landed at Bath, Ont and walked nine miles, settling at the head of Hay Bay. Their property in U. S. had all been confiscated. They built a log house at this site. Their children were, Peter, Luke, Maria, Polly, Hannah, John, Elizabeth and Delilah

Elizabeth Salisbury married Hiram Smith of the Lutheran neighbourhood on Big Creek. Later she purchased the farm from the other heirs and gave it to her son Peter William, and he, in turn, sold it to his sister Almira, widow of Robert John Galt of So. Frediz who left the farm to her son Finlay Galt."

I am very interested in getting more information re our forefathers. Of the eight children of Martin and Susannah only three can we trace at all. Peter William who married Clarissa Alkenbrack and they had 4 children Hiram, Jake, Henry and Eva Eliza. (Hiram was my Grandfather);

2. John married Ann Dibble - had no heirs;

3. Elizabeth as stated earlier married Hiram Smith, had 7 children and many descendants - to name a few Clutes, Hume, Robertson, Gatto - - - -

If you have any information on this family I would be very happy to see your accounts of it and make a copy, if I may. Yours sincerely

TO HIS EXCELLENCY, SIR PEREGRINE MAITLAND, R. B. Knight of the most Honorable order of the Bath, Lieutenant Governor of His Majesties Province of Upper Canada, Lieutenant General of His Majesties forces within the same Vea Vea, in Council.

THE PETITION of Martin Salisbury, most humbly sheweth, that your petitioner is a natural born subject of his Majesties colonies of North America, and has resided in the Province of Upper Canada, upwards of Twenty years; And that your petitioner hath in all things conducted himself as a good and loyal subject of His Britannic Majesty, And that your Petitioner, during the late war between Great Britain and the United States, served in the provincial Militia, which will more fully appear by the annexed certificate of discharge. In the spring of Eighteen hundred and seven, your petitioner moved on to the West half of Lot number sixteen in the third Conception of the Township of Fredericksburgh, Midland District, and province of Upper Canada, containing one hundred acres, and has since that time to the present, had peaceable possession of the same, no claim whatever has been made for the said Lot. Your petitioner has, by great industry, improved the said lot in as much, as he is now enabled, through Providence, to comfortably maintain himself, his wife and seven children. The said Lot was, upwards of 388a thirty years ago, located by one John Bliss, a soldier, who shortly after, (without settling on said Lot or making any improvement,) absconded to the United States, which will be more fully seen by the subjoined Certificate and deposition.

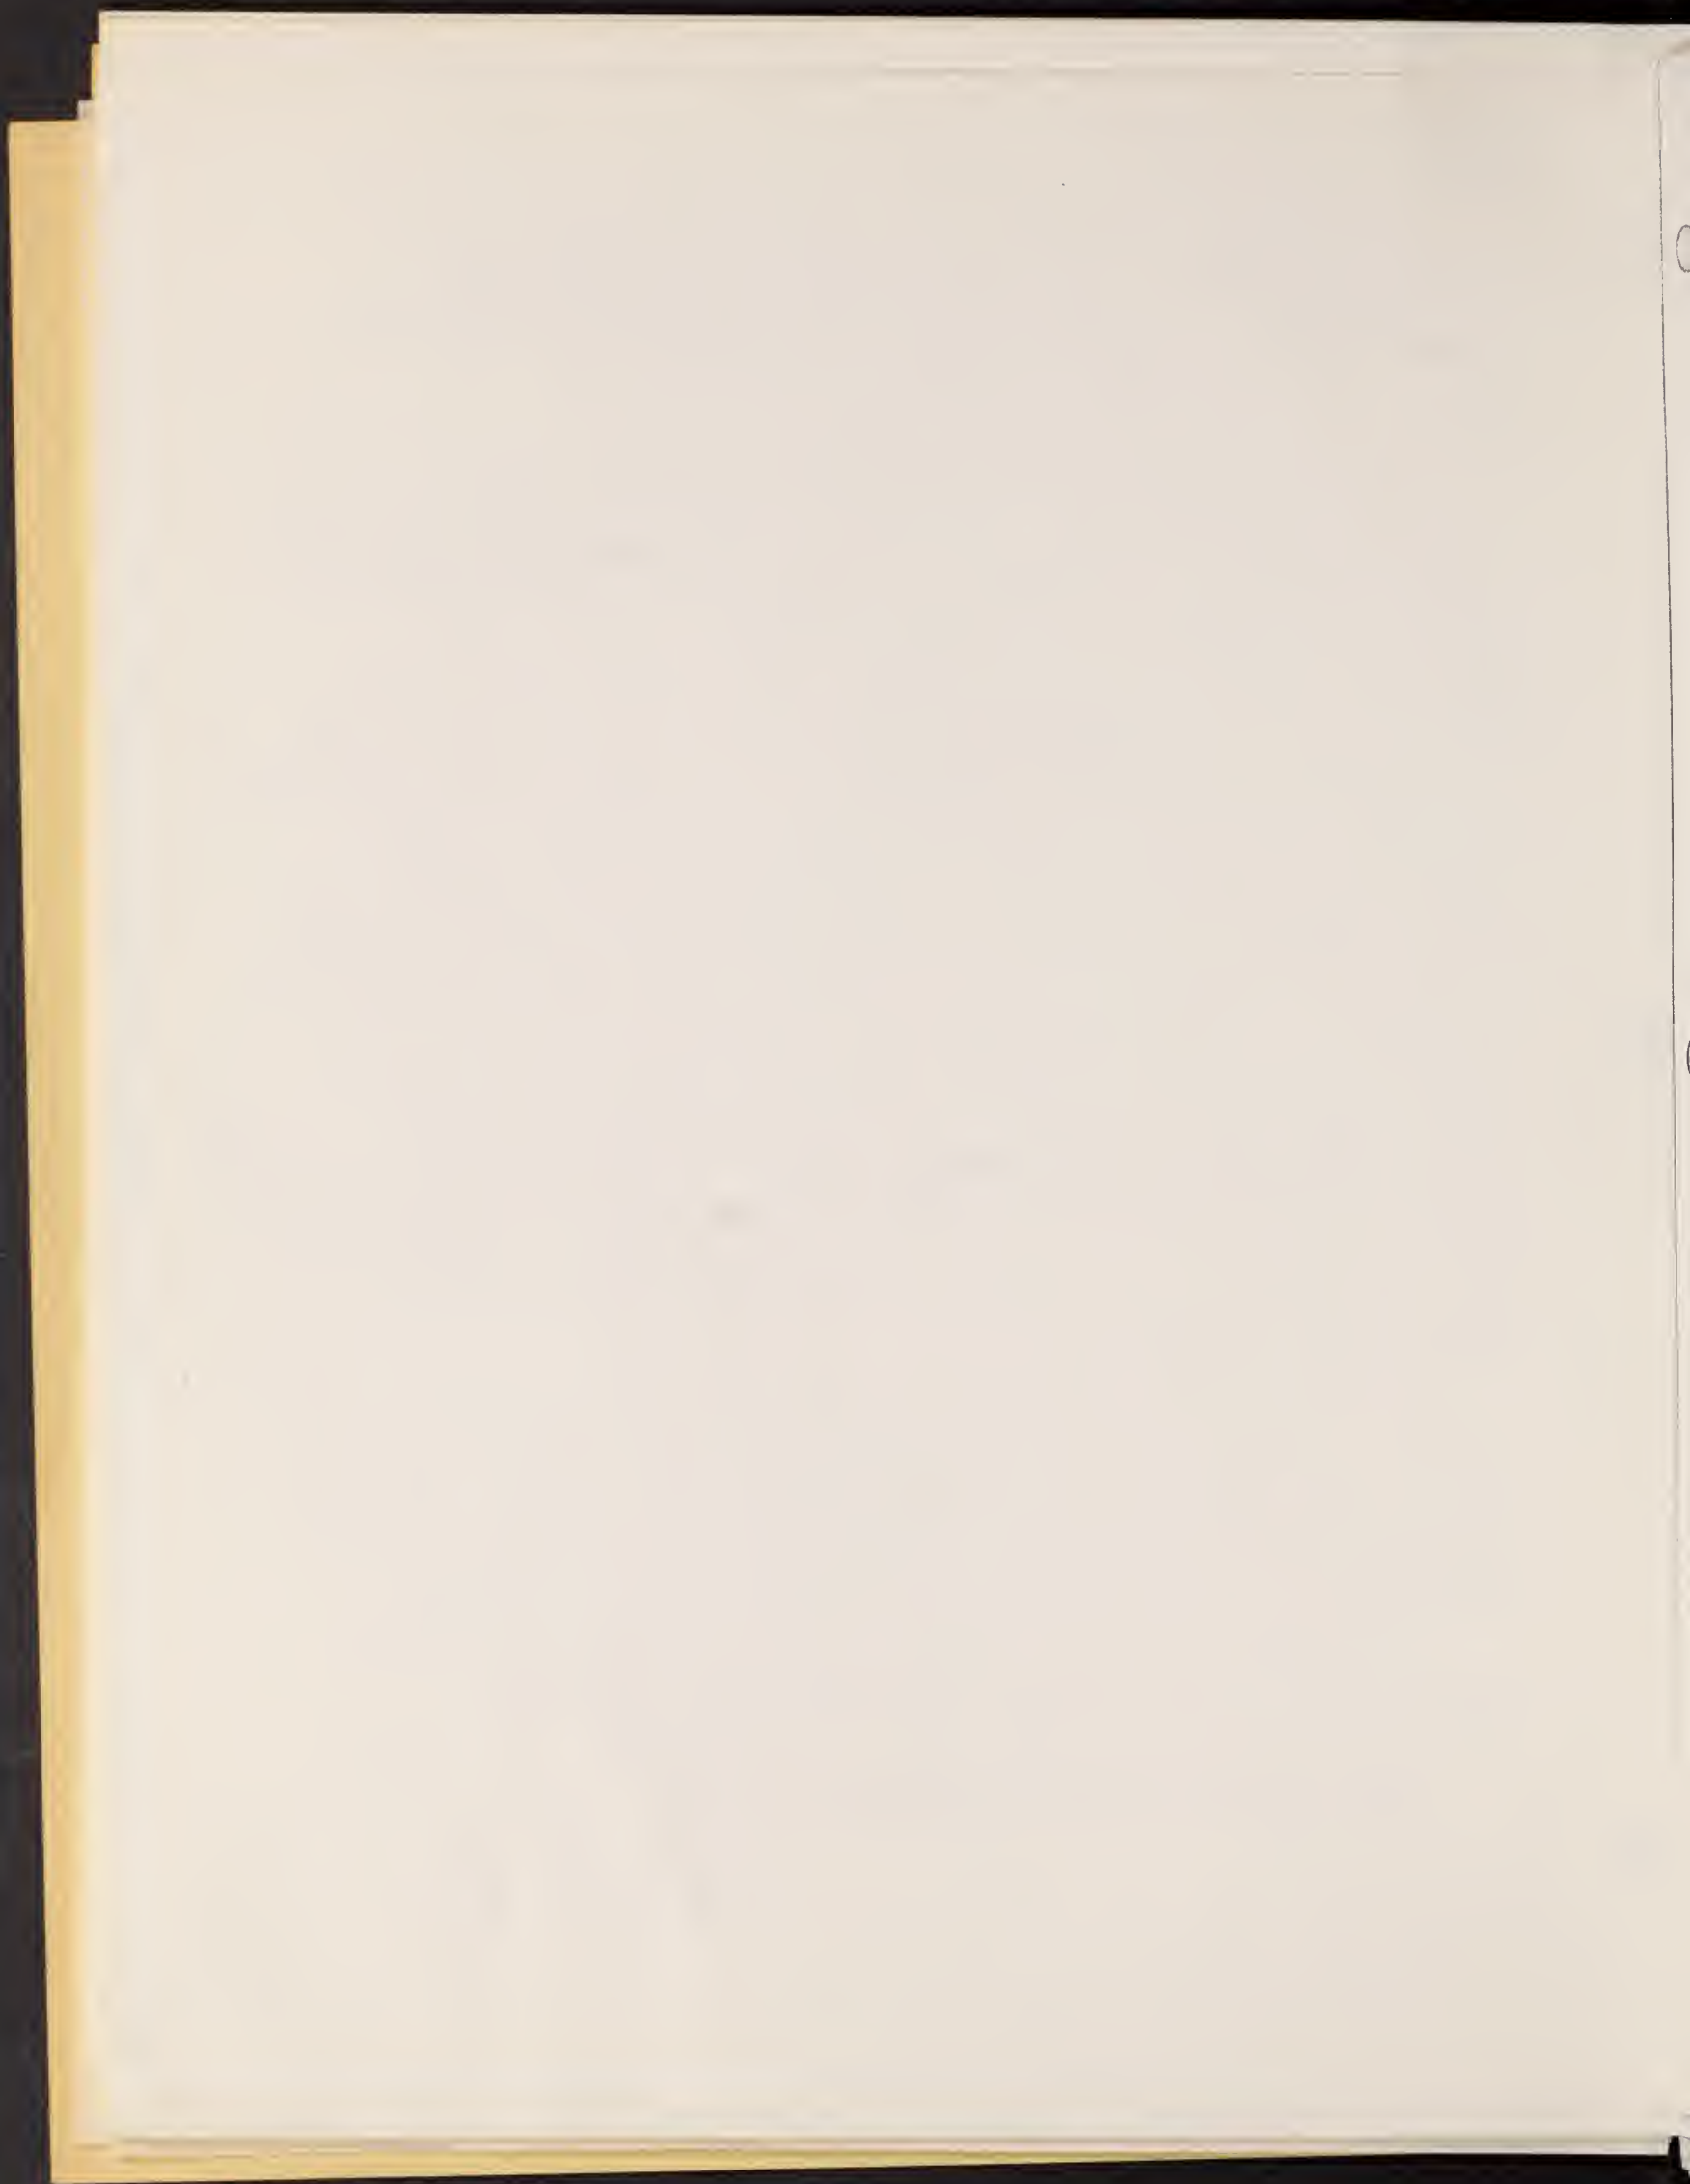

YOUR PETITIONER therefore most humbly prays your Excellency, in council, to take his case and situation into consideration, and allow him to locate the said Lot, (he never having drawn and land since his residence in the province,) in such way and on such terms, as your Excellency, in Council, shall in your wisdom think fit to direct.

Your Petitioner humbly presents to your Excellency, in council, an assurance of your petitioners unabating love and loyalty.

AND YOUR PETITIONER as in duty bound will ever pray.

Dated at Fredericksburgh November 13th 1820.

Executive Council Office  
York 29th November 1820

And-whereby given, by order of His Excellency the Lieutenant Governor in Council, that unless the Representative of John Bliss, the original Locatee of the West half of Lot number sixteen, in the third Concession, of the Township of Fredericksburgh, in the Midland District, do claim within one year from this date, the Patent will issue to Martin Salisbury, this notice is to be published for six months in the Upper Canada Gazette and Kingston Chronicle.

(????????????????)

I John Peters of the Township of Fredericksburgh, Midland District and Province of Upper Canada Yeoman, Do hereby Certify that I was formerly acquainted with one John Bliss, a British discharged soldier, (upwards of thirty five years since) and that said Bliss about that time, drew one hundred acres of Land, being, the West half, of Lot number Sixteen, in the third Concession of Fredericksburgh, and that he never settled upon it, he, began chopping, but did not chop more than about an acre; About thirty or thirty two years since, said Bliss being in debt, absconded to the United States - About Twenty years since I saw him in the State of New York, he then offered me his location ticket, but I did not wish to purchase it.

He informed me at that time that he should never return to this province, and I then informed him that Martin Salsbury talked of taking possession of it, which he did about fourteen years since, and has lived on it ever since in quiet possession. I was informed by some of my relation from New York, about four years ago, that said Bliss was deceased. Dated at Fredericksburgh the \*\*\*\*\*

Warrant No. 1665 issued 26 September 1823 \_

The East half of Lot No. 16 in the 3rd Concession of Fredericksburgh has been returned on the Quebec Plan of Frederickdburgh in the Name of Levy Warner - and the West half of the said lot in the name of John Bliss - neither of which halves have been described.

In the year 1798 the late Alexander Aitken Dept. Surveyor of the Midland District reported to this office that upon a measurement he found the said lot no. 16, to be 33 chains and a half in width instead of 19 chains the usual width returned(?) by the Quebec Plan of Lots in that Township, but added, that from the lot being too wide, he was apprehensive, those to the Eastward in the same Township, were too narrow, which probably maybe the case, and can only therefore be deter-

Dear Dr. Burleigh,

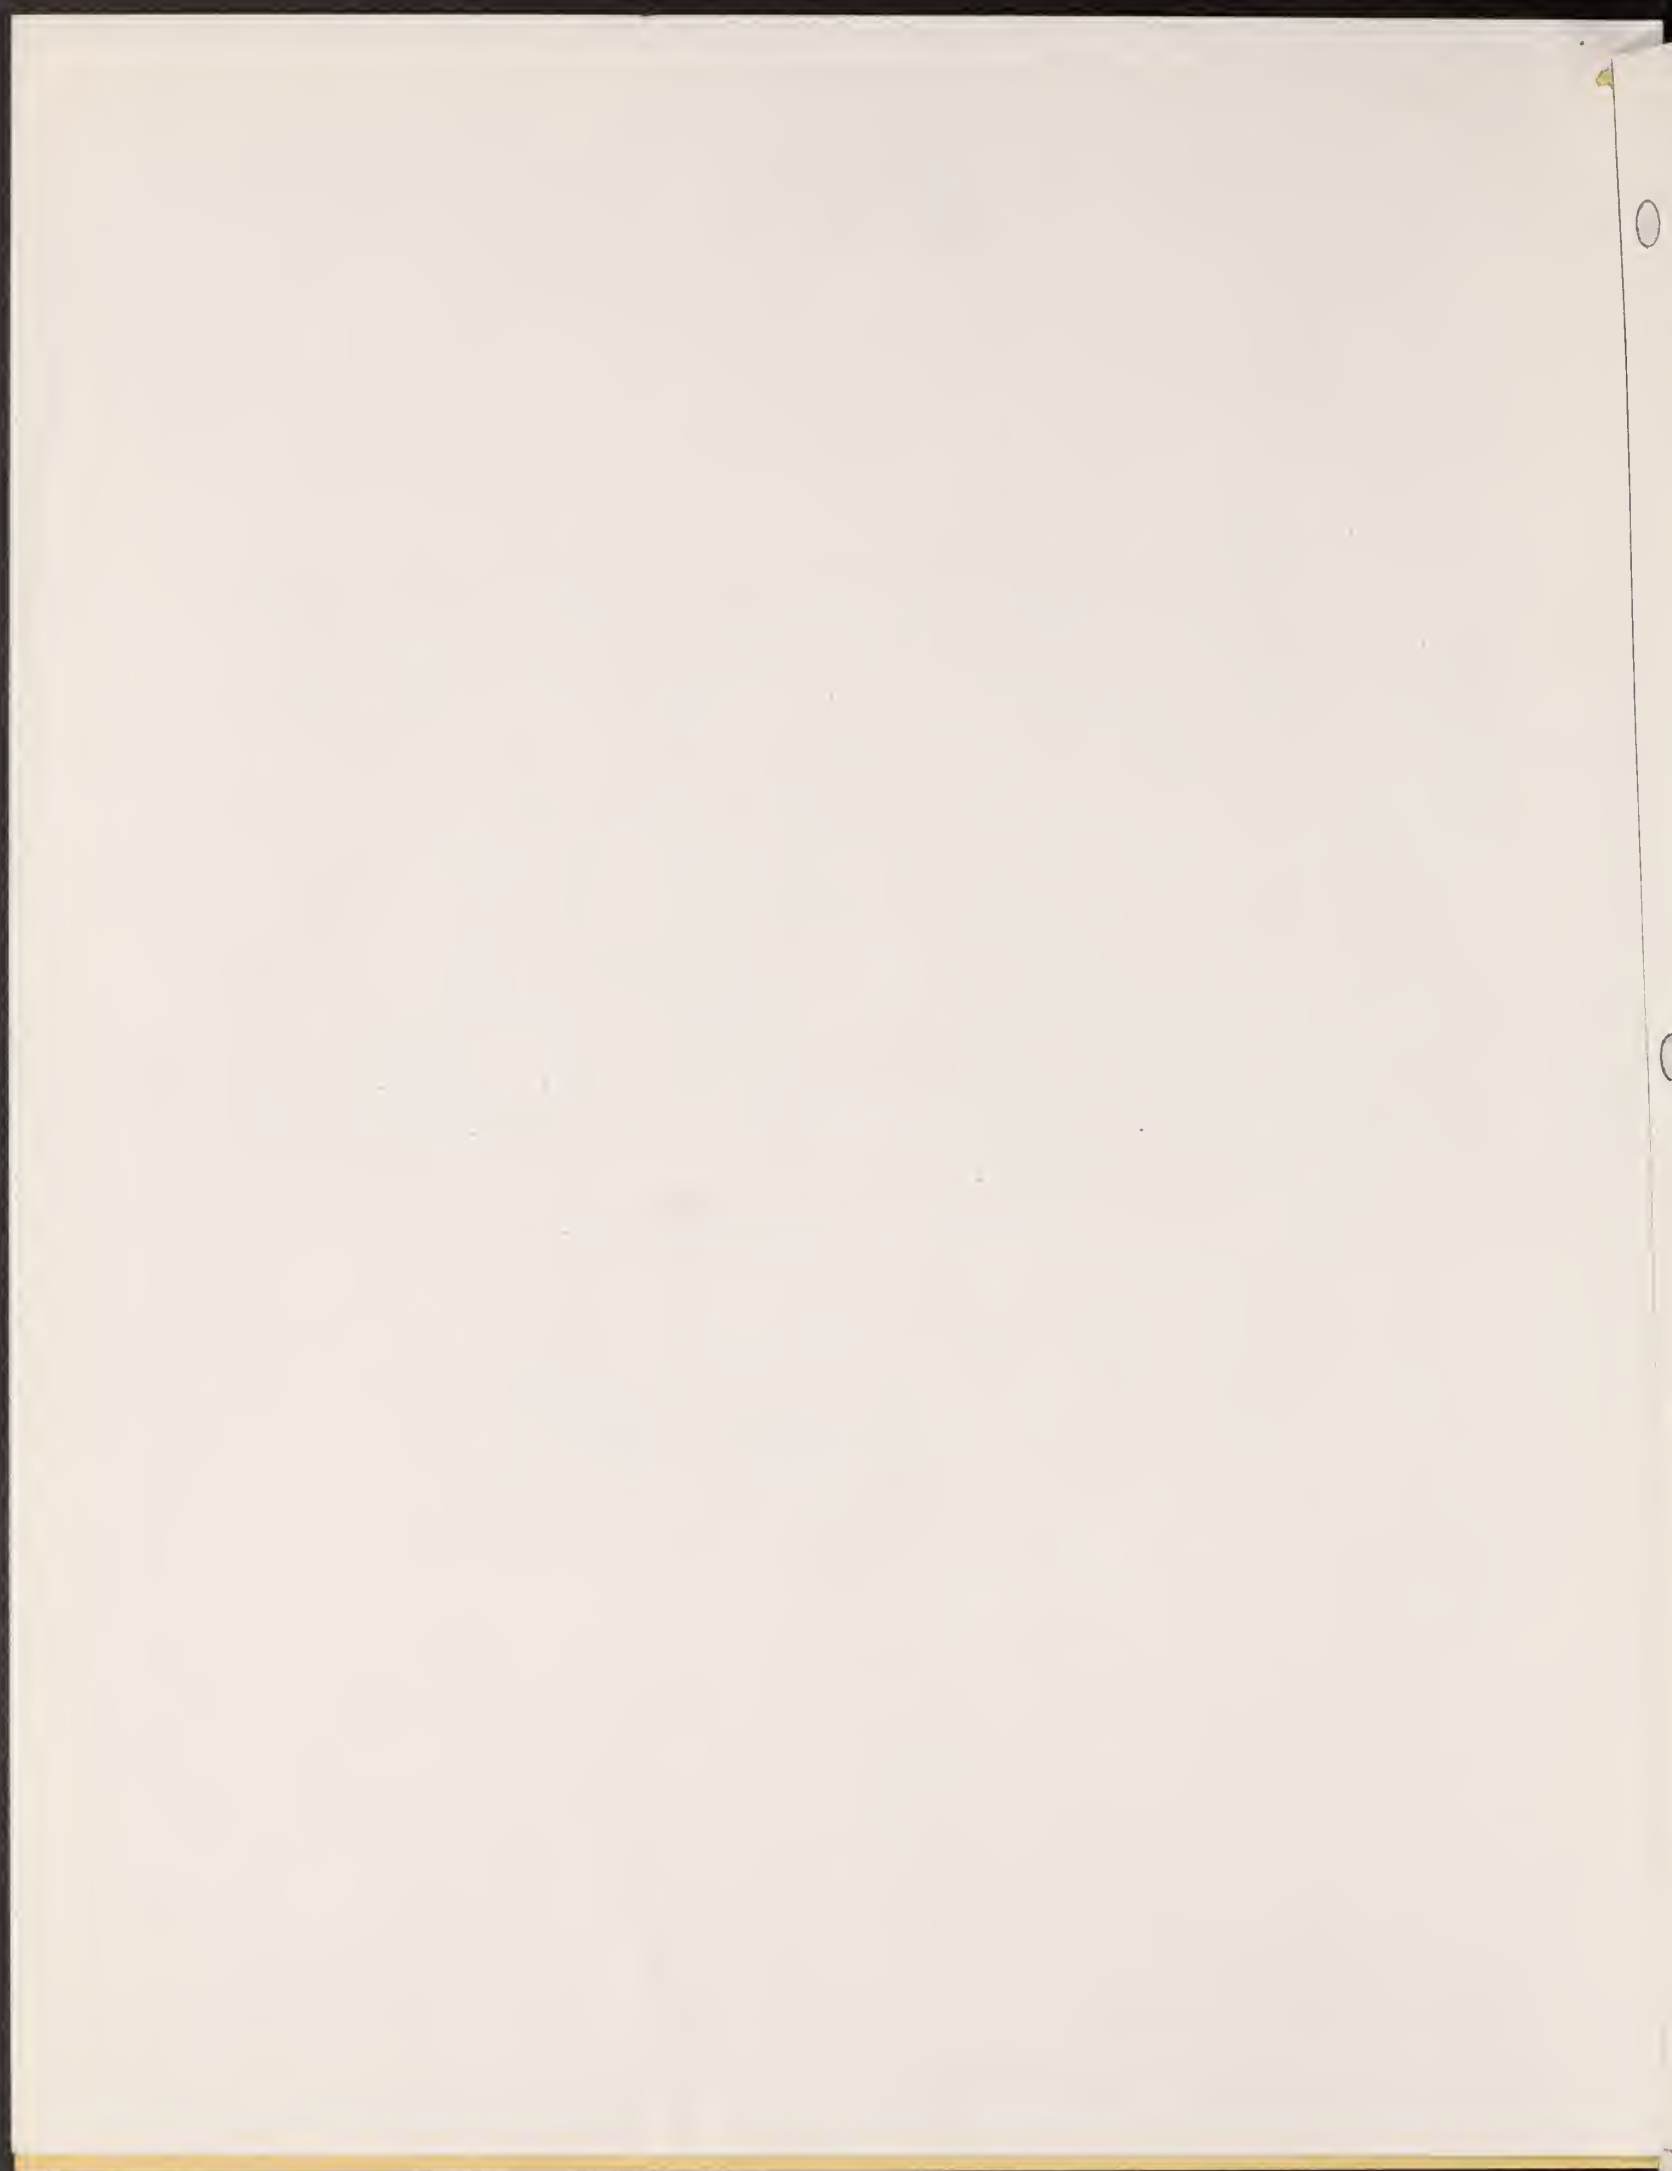

I am seeking information on the Venton and Salsbury Family Lines. Mrs. Helen Hutchison, president of the Lennox and Addington Historical Society suggested that I contact you. I believe she has been in touch with you in regards to an inquiry of mine last year for she indicated that you had information on both families. She also said your deposit fee for the information was \$25. A check is enclosed for this amount.

Enclosed is the total amount of data that I have collected on these two families lines. There exists considerable confusion over who Delilah Salsbury's parents were. One thing omitted is a copy of the muster roll of Captain George A. Ball's Company, 1st Regiment of the Lincoln Militia (Record Group 8, C 1702, pages 17-20. 4 pages. Public Archives of Canada). The date of the roll is 4 June 1819. and it shows the name of Martin Salisbury.

I shall be looking forward to hearing from you.

Yours truly,
